

Welcome back Doug.

Why are you not at school?

As we have no horoscope this month (magic cristal problems) we have decided to put some jokes in that people have sent us.

Nine things I hate about everybody

1. People who point at their wrist while asking for the time.... I know where my watch is pal, where the hell is yours? Do I point at my crotch when I ask where the toilet is?
2. People who are willing to get off their ass to search the entire room for the T.V. remote because they refuse to walk to the T.V. and change the channel manually.
3. When people say "Oh you just want to have your cake and eat it too". Damn right! What good is cake if you can't eat it?
4. When people say "it's always the last place you look". Of course it is. Why would you keep looking after you've found it? Do people do this? Who and where are they? Gonna Kick their a***s!
5. When people say while watching a film "did you see that?". No Loser, I paid \$12 to come to the cinema and stare at the floor.
6. People who ask "Can I ask you a question?".... Didn't really give me a choice there, did ya sunshine?
7. When something is 'new and improved!' Which is it? If it's new, then there has never been anything before it. If it's an improvement, then there must have been something before it, couldn't be new.
8. When people say "life is short". What do you mean?? Life is the longest thing anyone ever does!! What can you do that's longer?
9. When you are waiting for the bus and someone asks "Has the bus come yet?". If the bus came would I be standing here?

There was this couple that had been married for 20 years. Every time they made love the husband always insisted on shutting off the light. Well, after 20 years the wife felt this was ridiculous. She figures she would break him out of this crazy habit. So one night, while they were in the middle of a wild, screaming, romantic session, she turned on the lights. She looked down and saw her husband was holding a battery-operated leisure device... a vibrator! Soft, wonderful and larger than a real one. She went completely ballistic. "You impotent bastard," She screamed at him, "How could you be lying to me all of these years? You better explain yourself!" The husband looks her straight in the eyes and says calmly: "I'll explain the toy . . . you explain the kids."

An old man and woman were married for many years, even though they hated each other. When they had a confrontation, screaming and yelling could be heard deep into the night. The old man would shout, "When I die, I will dig my way up and out of the grave and come back and haunt you for the rest of your life!" Neighbors feared him. They believed he practiced black magic, because of the many strange occurrences that took place in their neighborhood. The old man liked the fact that he was feared. To everyone's relief, he died of a heart attack when he was 98. His wife had a closed casket at the wake. After the burial, she went straight to the local bar and began to party, as if there was no tomorrow.. Her neighbors, concerned for her safety, asked, "Aren't you afraid that he may indeed be able to dig his way up and out of the grave and come back to haunt you for the rest of your life?" The wife put down her drink and said, "Let him dig. I had him buried upside down....."
