Raising money and toys for children

The Centro de Salud en Gunther's are collecting money and toys to give toys to children on Christmas day. The first 10,000 lempiras they collected were donated to the Teleton. If you wish to donate you can let them know or wait until they will come and collect.

Skid Row's rowdy pubquiz

Skid Row in Sany Bay will have their first pubquiz of the newyear on the first Monday of January. This, unfortunately, means that there will not be any more pubquizes at Skid Row this year. So for all of you Pub Quiz addicts.... you will have to be patient and wait until next year, which isn't that far away!

UTILA'S PARTICIPATION IN TELETON A SUCESS

This year Utila participated for the first time in Honduras national Telethon which is organized to raise funds to help patients with special needs throughout the country. On Friday the 9th of December the island's businesses and residents cooperated and generously donated a total of Lps 38,000. Julia Keller was responsible for the organization of the event here on the island.

Since 1987 the Telethon organization has managed to create 4 rehabilitation centers in Honduras; in Tegucigalpa, San Pedro Sula, Santa Rosa de Copan and Choluteca.

These centers offer free medical attention for patients and educational programs which teach

parents how to deal with children with special needs.

Each year during the month of December a 24 hour nationwide Telethon is televised with local and international celebrities performing live at the Manual Bonilla Theater in Tegucigalpa. This year's goal was to raise 20 million Lempiras and this number was surpassed by more than 10 million Lempiras!

Thank you to everyone who cooperated and made Utila's first participation a successful one!
