

HOROSCOPES

Aries **Mar 21 - Apr 19**
 Feel like you keep walking and walking but never get anywhere? Well, it's time to call it a day and ask for directions. Throw away old stockings and welcome new friends with open arms. With a little investment 2006 could be the year you've been waiting for

Taurus **Apr 20 - May 20**
 Seems like it could be your chestnuts roasting on an open fire this year. Pull in Rudolph's reins and take the time for those who matter. With your finger safely out of the Christmas cake mix you can sit back and watch the good times roll.

Gemini **May 21 - June 21**
 You see a bit of good heath around the corner, grasping opportunities under the miseltoe this year could lead to exciting new adventures in the year ahead. Careful though, don't get too intoxicated or you might just miss out on your big opportunity.

Cancer **June 22 - July 22**
 Wow, its all in store for you this month, all that's needed from you is to throw on your party clothes and get out there and enjoy it. Don't forget though Christmas is a time for giving, others might not be as lucky as you so keep your eyes open and try to lend a hand when you can.

Leo **July 23 - Aug 22**
 Feeling a bit like a cold roast potato? Well nows the time to shake off those winter blues and shine like the star that you are. Ignore negative comments, people are just jealous and believe you me, this season you are just fabulous!

Virgo **Aug 23 - Sep 22**
 Be naughty this festive season and don't let the rain ruin your glitter! You can still have fun without stepping on loved ones toes if you share your time equally. Pass around the sherry and don't forget to leave out a few mince pies for santa... a little sweet talking and your mischievousness may go unnoticed!

Libra **Sep 23 - Oct 22**
 Tis the season to be jolly, and you have certainly been jingling those bells! Watch out you don't fall asleep under the mistletoe or you could end up with mince pie all over your face! Pucker up and don't be shy with your kisses. And remember, a puppy is not just for Christmas.

Scorpio **Oct 23 - Nov 21**
 Been burning the candle at both ends? Slow things down this month and take the time to remember what's really important. Its not what you give but the thought that's important, your friends and family will be more than happy getting to spend a bit of quality time, so don't worry about saving up for that special gift.

Sagittarius **Nov 22 - Dec 21**
 The party season is here and even if you don't feel in the mood, get out there and mingle up! Paying a bit more attention to what's important to you this month will be worth it in the long run, allowing you to get the most out of the year ahead.

Capricorn **Dec 22 - Jan 19**
 Still waiting to hear from that someone special? Stop dwelling on the matter, love is all around you and so the feeling grows. Get out, treat yourself to a tippie or two and don't let the month get too wet, wet, wet.

Aquarius **Jan 20 - Feb 18**
 Do the cars seem to race past you too fast on the street? Maybe you need to pick up your pace and join life in the fast lane. Mix old traditions with new ideas watch others copy your style. You have the potential now the only question is, will you reach it?

Pisces **Feb 19 - Mar 20**
 Feels like everything's finally going your way? About time too, you deserve it, so don't be shy to show off that happy grin! Smiling is contagious and with a bit of effort you should be able to infect the whole island. If you play your cards right your good cheer will last beyond the festive season and well into 2006.

VOICE OF YOUTH

Family and Friends

Two of the most important things in life are family and friends. I can't or wouldn't want to imagine life without them. This is the time of the year that you need the most, where you get to share not only gifts, but also thoughts, memories, fears and the most important of all if the love you feel for each other. Love is not just a word, love is what you feel and where there is family and friends there will always be love.

Merry Christmas and Happy New Year,
 Cynthia Buckley
