Baseball

There was lots of baseball action on the weekend of the 21st of July. The Pirates came over from Roatan to play against the Utila Bulldogs. The games were well attended with many supporters including a large group from Roatan who came in with the team on Jerry Hinds' shrimp boat. Mr. Ronnie Ramon organized the visit with Dougie from Roatan and even though The Pirates won 8 to 4 on Saturday and 6 to 5 on Sunday Mr. Ronnie says he would like to see them back on Utila to play again very soon. The Pirates were to come back on the 28th of July but due to Carnival there is a lack of hotel space which means they will probably have to wait until the 1st weekend in August.

Volleyball at Bandu Beach

The 1st volley ball tournament to be played on Bando Beach was held on July 22 and 23, which corresponded with the start of Utila's week long carnival. The tournament offered a grand prize of \$1,000 and a \$250.00 prize in each category. There were 7 different categories:

- Men's: 6 man teams
Women's: 6 women teams
Mixed men and women: 6 person teams
Seniors (over 50): 6 person teams
Juniors (under 15): 6 person teams
Men's: 2 man teams
Women's: 2 woman team

The rules for the tournament stated that for any category to qualify for the \$250 prize there had to be a least 3 teams signed up and finish the tournament in each category. Only the men's 6 man, and the mixed 6 person teams actually finished playing all their games with the minimum of the 3 teams. The Roatan and La Ceiba teams that said they were coming; did not show.

The winners of the categories where: Men's 6 man: 1st place Big Dogs \$250, 2nd place Utila Pirates
Mixed 6 person team: 1st The Scrubs \$250, 2nd place the Hurricanes
All other categories did not qualify as they did not get the required minimum of 3 teams to finish the complete schedule of games. However, many two man teams and two woman teams did play so for the finale play off series

it was decided that the 3 men who played for the winning mixed team (The Scrubs) would choose an All-star men's team to play a sudden death game to 30 points against the winning Men's team the Big Dogs. This sudden death match was won by The Big Dogs and they took home an additional \$750.

To keep the women happy (if that is possible) it was decided that all the women that had participated in any form during the tournament should be put together and divided into two teams, one of 6 players and one of 7. The two women teams played one sudden death game to 30 points and the winner won \$500 U.S.

The six women team (Utila all Stars) consisting of 4 Utilians and 2 short term residents/tourist won the \$500 prize
Winning team members;

BIG DOGS: Harris Cooper, Eathon Sanders, Julio Sanders, David Bush, Omar Munoz, Whitney Hill, Peter Bernard and their coach Alice Hill. Total Prize money \$1,000.

SCRUBS: Alex Grow, Wyatt grow, Redell cooper, Ted Maschal, Teresa Hinds, Naomi Jackson. Total prize money \$250 (winners of mixed 6 person).

UTILA ALL STARS: Alice Hill, Naomi, Jackson, Redell Cooper, Teresa Hinds, April Handley and Anne Thieme. Total prize money \$500 (winners of the women's sudden death play off).

P.S. if there is any interest the sponsor (Utila Princess) says that they will sponsor another tournament in October 2006
